1) Sated It is seen that the commission was fixed at 5 | of the collections during 1944-45 and 1945-46 as per G.O. dated 28/3 1946 but at 3 | during 1946-47 The authority under which the rate of commission was lowered has not been made clear The D.C. Chidambaram may perhaps be requested to furnish information on the above point

2) The D.C. Chidambaram, raised this point with the Municipal Council They have been unable to answer it satisfactorily as apparently there was no authority to reduce the percentage at which payment was made and have simply reiterated their previous resolution to pay at 5% The resolution is for orders
